

Release 6.1.2

https://documentation.dcr.design/release_notes/release-6-1-2/

[DCR Swimlane Editor](#)

- Swimlane editor does not execute a form as a form - loose values (122493)
- Cannot drag activity inside a subprocess onto a swimlane (122494)

One highlights line : Swimlane now supports single data activities, forms and subprocesses

Release Date : March 11, 2021

Demo release date : March 10, 2021
