

Formpipe Acadre

<https://documentation.dcr.design/documentation/formpipe-acadre/>

[DCR Open Case Manager](#) integrates with Formpipe Acadre supporting the activity types which can be found in this [DCR process template](#).

- CreateCaseAcadre
- CloseCaseAcadre
- CreateJournalAcadre
- DCRForm2PDF
- Tasks
- TasksWNote
- UploadDocumentAcadre

Syddjurs Municipality has used DCR Open Case Manager since the fall of 2019 supporting their children case processes. An example process for §42 can be found [here](#).

Manu of these processes has been marked using [DCR Highlighter](#) in order to map from law text into process models.

Type: Null
