

Release 6.5.1

https://documentation.dcr.design/release_notes/release-6-5-1/

Active repository patch deployed following the 6.5 portal release.

Bug 135798 resolved. Response time on Active Repository was sometimes very slow when retrieving events from a simulation.

One highlights line : Increased speed in DCR Active Repository

Release Date : October 29, 2021

Demo release date : October 27, 2021
