

# Release 3.8.1

[https://documentation.dcr.design/release\\_notes/release-3-8-1/](https://documentation.dcr.design/release_notes/release-3-8-1/)

[Path History](#) did not work if Forbidden (un-happy) scenarios existed. Now only takes Required and Neutral scenarios for analysis.

- Swimlane now opens in edit mode from Simulation History

Release Date : March 7, 2019
