

Release 3.1

https://documentation.dcr.design/release_notes/release-3-1/

- Swimlane editor - time and UX improvements
- Show activity id and partial description on tooltip (mouse over)
- Expressions in guards now validated when entered
- If deadline is overdue show activity in red
- Only show hours and minutes for deadlines - hide seconds
- DCR Activity Respository - return phase
- Export scenario - include initial time
- Added time to swimlane editor
- Updated process engine to version 2.0.1
- Various bugfixes
 - Time - localization issue, no deadlock lead to lack of date field

Release Date : July 31, 2018
